The Stearns

Best STOCK Car of the World

Westbury Court, Andover, Mass., Aug. 12, 1908.

Morgan B. Kent, Esq., Boston, Mass.

My Dear Mr. Kent—

It has occurred to me that you would like to know how my new Stearns car works after I have driven it 3,400 miles in a little over four weeks.

I take great pleasure in saying that it is as near perfection for its purpose as it is possible for anything to be on this mundane sphere. It does all that an experienced automoblist could demand from a motor car that he is using for all around work. Its speed, endurance, reliability, hill-climbing power and flexibility for city driving leave nothing further to be desired.

I can conscientiously recommend the Stearns to anyone who wants the best.

Yours truly, HARLAN W. WHIPPLE.

ZIEGFELD'S

Most Pretentious Offering Coming

FOLLIES OF 1908

Ziegfeld's musical Revue, "Follies of 1908," which ran for sixteen weeks at Ziegfeld's Jardin de Paris, is scheduled Monday, Dec. 28. This is the only Revue under the management of F. Ziegfeld, Jr., producer of "The Soul Kiss" and Anna Held's productions, and comes here with the original cast of artists, which is the greatest aggregation of musical comedy stars ever seen in one organization, and includes: Bickel and Watson, Arthur Deagon, Billy Reeves, Jack Norworth, Annabelle Whitford, Grace Leigh, Lillian Lee, William Powers, William Schrode, Seymour Brown, and Dazie, America's premiere danseuse.

As a special feature, Miss Nora Bayes has been engaged to sing the three best songs she has ever had, and her work throughout the entire entertainment is said to be the most artistic she has ever accomplished. "Girls" are one of the leading attractions. Florenz Ziegfeld long ago established a reputation for producing the best girl shows in the country. Where he gets them from nobody knows, but they are in all his shows, smiling and flirting, and kicking up their pretty heels and generally raising havoc with the audiences. In his latest Revue, Mr. Ziegfeld has excelled himself and the result is the handsomest chorus in the world. Some of the beauties are the "Nell Brinkley Girls," "Taxicab Girls," "Drummer Girls," "Mosquito Girls," "Navy Girls," "American Beauty Girls," and Ziegfeld's "Dancing Dolls."

"Follies of 1908" was written by Harry B. Smith and Maurice Levi, who are also responsible for the other Ziegfeld sensation, "The Soul Kiss;" and staged by that wizard of stagecraft, Julian Mitchell. It is in two acts and ten scenes, some of which are "The Garden of Adam and Eve," "The Jer-

sey Tube," "Salon of the Lusitania," "Exterior of the New Amsterdam Theatre, New York," "Interior of the Capitol of Washington," "The Smart Set Athletic Club," "Nell Brinkley's Studio," and a finale entitled "Around the World with Uncle Sam," which is a naval review in which the presentation of a sword to Admiral Evans is depicted. This is said to be the greatest finale ever produced, in a musical entertainment. Interspersed in the "Follies" are several capital burlesques, the best of which is the one on "The Soul Kiss," in which all the presidential candidates are introduced satirically. Harry Watson is the ruler of the universe; Arthur Deagon is "My Policy Taft" from Ohio, George Bickel is "Coquette Bryan" from Nebraska, Billy Schrode is "Carmen Fairbanks, the Cocktail Girl from Indiana," and William Powers is "Marguerite Hughes, the Race-Track Flirt from Albany." In this burlesque Miss Bayes gives a capital travesty of the "Devil," and Miss Annabelle Whitford is Miss Columbia who is looking for a Presidential affinity. Another exhilerating burlesque is "The Waltz Dream" and introduces Arthur Deagon as the Prince, and Bickel and Watson in their celebrated musical specialty.

The funniest skit of its kind that has ever been seen is "The Society Prize Fight," in which Jack Norworth, Harry Watson, George Bickel, Arthur Deagon, Billy Reeves, Seymour Brown, William Schrode, William Powers, Lillian Lee, Grace Leigh and Dazie, are seen at their best.

Mr. Ziegfeld believes that the best way to delight an audience is to surprise them and there are many artistic specialties in "Follies of 1908" which we are forbidden to tell of, and it is with pleasant anticipation that the patrons of the Tremont will look forward to this clean, wholesome, witty, up-to-date and a little beyond performance which is due here Monday, Dec. 28.

Unusual Values
—IN—
FINEST CANADIAN FURS

A Shrewd Woman's Wisdom

A shrewd woman's experience usually makes her a better judge of fur values than her husband, because she takes more time to investigate and compare values.

If a woman were buying five fur garments at one time she would, naturally, expect the furriers to give a special price on so large an order, and the furrier would be most anxious to secure the business because, if he only charged one-half his regular profit on the five garments, he would still be making about three times as much on the transaction as if he had sold one garment only. In the fur business that's exactly our position. To deal exclusively in furs in five business centres where we have our own stores, we buy the raw furs direct from the trappers in Canada and manufacture and sell garment direct to the user without intermediate profits. Our Canadian furs are admitted into the United States duty free; here, they are made into the newest New York designs by the most skilled American designers and work people. The duty on manufactured furs is 35 per cent.

We make only reliable furs. When the people of Canada were making a present of the finest Mink Coat in the world to their future Queen, H. R. H. the Princess of Wales, at Quebec, we were commissioned to make it; we would like to be commissioned to make your furs also. We want to interest you in some exceptional value in Canadian Mink and Hudson Bay Sable. It will pay you to look into the money saving chance to secure reliable Canadian furs at most reasonable prices.

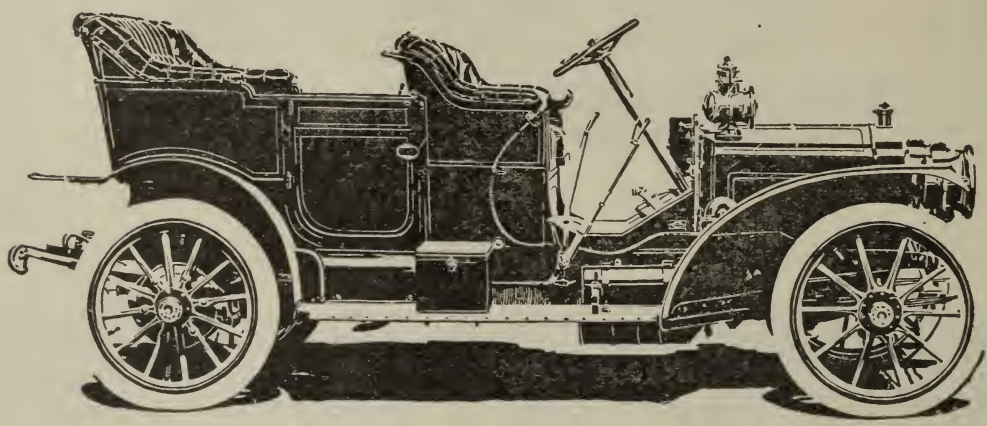
EIGHTEEN



Packard "Eighteen" is a reproduction on a smaller scale of the famous "Thirty," but the difference in size in no way detracts from the same excellence of design, construction and material which has made Packard cars world-renowned.

No Stropping **No Honing**

Give Him a Gillette Safety Razor for Christmas

HE will use it, never fear! And thank you from his heart every time he shaves.

Over two million men are using the Gillette—any one of them will tell you he would not be without it for ten times its cost.

Shaving in the old way is the bane of a man's life. It means time wasted at the barber shop—or tedious stropping and scraping with the old-fashioned razor, with the certainty of cuts and scratches if he is nervous or in a hurry. Besides, as you know, he is not always shaved when he ought to be.

The Gillette makes shaving easy. Takes only five minutes for a smooth, satisfying shave, no matter how rough the beard or tender the skin.

No stropping, no honing. Any man can use it. It is the one razor that is safe—*cannot cut his face*—and it is the only razor that can be adjusted for a light or a close shave.

A man is conservative. He takes to the Gillette like a duck to water once he gets acquainted—but, as with other improvements, it sometimes takes a woman to lead him to it.

The Gillette makes a beautiful gift, with its triple silver-plated handle, in velvet lined, full leather case.

Standard set as illustrated above, $5.00.

Combination sets, $6.50 to $50.00.

Send for illustrated booklet today.

The Gillette is on sale at all leading jewelry, drug, cutlery, hardware and sporting goods stores. If your dealer cannot supply you write to us.

EASY FEET

Every Night and Morning Use White Cross Antiseptic Foot Powder

Formerly "Red Cross"

And all day your feet will be light and comfortable. White Cross Antiseptic Foot Powder prevents you from becoming footsore and weary. Contains only pure, antiseptic, healing ingredients. Is NOT contaminated with ALUM or other hurtful astringents.

Recommended by physicians and all who use it for the relief of smarting, burning, swollen feet. CAUTION—Sore and tender feet need a truly CURATIVE ANTISEPTIC POWDER, free from alum and other hurtful substances. Substituters' claims can be made attractive in printers' ink, but it is the antiseptic POWDER, not the INK, that insures foot comfort.

Policemen, letter carriers, soldiers, firemen and railroad men will derive great benefit from the use of this powder.

Sold by druggists, shoe dealers and department stores at 10c. and 25c. the can, or sample mailed free on receipt of price by White Cross Toilet Powder Co., 509-515 West 56th St., New York.
